The Principal,  
St. Paul Secondary School,  
Rawatbhata (Chittorgarh)

**Subject:** Submission of Water Sample Test Report

Respected Sir,

I would like to inform you that the Public Health Engineering Department, Rawatbhata has recently conducted a test of the drinking water sample taken from your school premises. The test was carried out to ensure the safety and quality of the water being supplied to students and staff.

Please find attached herewith the official report provided by the Department for your kind perusal and record. The report includes the test results and observations regarding the quality and potability of the water. Water sample after testing is found to be in good condition in all forms of uses.

Thanking You.
